2007 - 2013

INFORMATION NOTE

Information note to all Programme beneficiaries

For international tenders, the documents should be published, **cumulative and as minimum requirements:**

- in the Official Journal of the European Communities
- on the programme website: www.romania-serbia.net

In addition to the above, we strongly advise the beneficiaries to publish in any other publications and on the internet as long as this is cost-free and will not affect their project budgets.
