**AWARDING DOCUMENTATION
“SERVICES FOR PROMOTIONAL MATERIALS”
in the framework of Romania-Republic of Serbia IPA Cross-border Cooperation**

Question no. 1: Regarding the awarding documentation for “SERVICES FOR PROMOTIONAL MATERIALS”, in the framework of Romania-Republic of Serbia IPA Cross-border Cooperation, that has been published only in English, we ask you to provide us the Romanian version.

Answer no. 1: We are unable to comply with your request because according to article 19 from the Council Regulation no. 1085/2006 equal access must be ensured to all procurement procedures, and this can only be done if the documentation is issued in English. In addition, the official language of the programme is English and so the procedures must also be in English.

Also, please take into account that the offers must be submitted in English.
